

4th Euro-Pak

International Conference on Sports Sciences & Education

Theme Propelling the Global Advancement in Sports Science and Education - A Way Forward

5th & 6th October, 2024

Venue: National Skills University, H-8, Islamabad, Pakistan

INTRODUCTION

The Sarhad University of Science & Information Technology, Peshawar, Pakistan, along with HEC, INSHS, IHMN, P-COSS and partner Universities is organizing 4th Euro-Pak International Conference on Sports Sciences & Education (EPICSSPE) on 5th and 6th, October, 2024 in The National Skills University, H-8, Islamabad, Pakistan with a theme “Propelling the Global Advancement in Sports Sciences and Education - A Way Forward”. The conference will be held in a hybrid format (virtual and face-to-face), providing an opportunity to the national and international educationists who may not attend the conference in person. We expect 8–10 international speakers and more than 100 national presenters who will be sharing their research work in the conference.

Previously, Sarhad University, successfully organized 3 Euro-Pak International Conferences, 2017, 2019, and 2021 on Sports Sciences & Education with the support of its partners. These conferences featured presentations from 18 international research educationists from leading global universities and over 200 research articles were also presented by renowned educationists from across Pakistan.

CONFERENCE OBJECTIVES

Join leading scientists, scholars, researchers, and global leaders to share and discuss cutting-edge theoretical and practical insights in sports sciences and education. This conference will also address critical sports and health issues facing our youth and community. Issues related to persons with disabilities will be included in the conference.

REGISTRATION

Registration form is available on the conference website: www.epicsspe.com

[epicsspe.com](http://www.epicsspe.com)
